Education

2019 - Current	**PhD, Statistics** Milan, Italy	Bocconi University
2017 - 2019	**MSc., Stochastics and Data Science** Turin, Italy Thesis: Quantitative and Ontology-Based eXplainable Artificial Intelligence techniques for Computer Vision Score: 110/110 cum Laude and with special mention	University of Turin
2014 - 2017	**BSc., Statistics and Information Management** Milan, Italy Thesis: Analysis of the scientific network in PubMed using Graph Databases Score: 110/110 cum Laude	University of Milano-Bicocca

Experience

Feb 2019 - Sep 2019	**Research Internship - Deep Learning & XAI** EXplainable Artificial Intelligence applied to Computer Vision and Convolutional Neural Networks	ISI Foundation
Sep 2016 - Mar 2017	**Research Internship - Data Science** Implementation of a Graph Databases, Elements of NLP, Data & Graph analysis	University of Milano-Bicocca
2015	**Math Teaching Assistant** Math teaching assistant in a Middle School	Istituto Comprensivo di Basiano
2014 - 2019	**Occasional jobs** Private tutor, Shop assistan	

Certifications

2019	**Deep Learning Specialization** Certificate number: 9C4VZEV8YTW7 Single courses: Neural Networks and Deep Learning, Hyperparameters tuning, Sequence models, Convolutional Neural Networks.	Coursera
2017	**SAS Certified Base Programmer for SAS 9** Certificate number: BP069923v9	SAS Institute
2017	**SAS Predictive Modeler Using SAS Miner 13** Certificate number: PMEM001296v13	SAS Institute
2013	**First Certificate in English (FCE)** *Level B2*	Cambridge Insitute
